DIARY

Saturday, Oct 8th, 2007.....Hi all, Judy and I just got back from 4 days of R&R, we went to Manatoulin Island for a little fishing (me) and a little shopping (Judy). We stayed at the Paradis Motel which is owned by a pigeon fancier (Glen Lyon), what could be better. If you want a great place to visit, fish and stay give Glen a call, he is in the yearbook. I went fishing with Glen and another pigeon fancier on the Island, Robert Lee. The Salmon are just thinking about heading for the mouth of the rivers but are mostly still in the bays. It is interesting fishing there, we use chest waders and walk a couple of hundred meters into the bay and cast into the deeper channels which are heading into the river mouth. When you get a fish you have to walk backwards to shore while playing the fish, its exciting and a good workout. All three of us caught nice fish, I caught a nice 14 1/2 lb Chinook Salmon. I had another big one caught and almost to shore when it broke off. Thanks for a great time Glen, Elaine, Robert and Evie. I have updated the Marathon 420 clocking list, we have over 70 birds returned, please check out the list under "Race results". I also updated the Classic 350 race result to include some returning birds. Please make arrangements to pickup your birds, any birds that are not picked up by next week will be removed. I do not want to wait until after the auction is complete, that is going to take another few weeks to complete, so PICK UP YOUR BIRDS NOW, THANK YOU. Regarding the auction, we are hoping to start the auction next Sunday but we are missing many pedigrees. Please send your pedigree directly to Ben Ferber, he is in the yearbook. Regarding the pedigrees, some of you are reluctant to send pedigrees because you want to buy your bird back, this is not acceptable. When we run these races it is our understanding that you will do the HONORABLE thing and send a pedigree, it is considered part of your commitment to the race. Thank you to those that have already sent pedigrees.....jim

Sunday, Sept 30, 2007.....we had a good number of Marathon birds returning today for a total of 46 home. Check out the race results for the list of returning birds.....jim

Saturday, Sept 29th, 2007.....Today was a beautiful day for racing. Clear and a light headwind, the winning bird flew about 40 mph and arrived at 18:31. Sunset was at approximately 19:00, between 18:31 and sunset we got a total of 10 outstanding birds. Congratulations to Eleanor's Loft 2, owners Eleanor and Frank Webster of the Pineridge Club in Whitby, Ontario. Special mention should also go to Gary Monminie who once again caught the same two birds that were 3rd and 4th at the hard Classic 350 and now both made it on the day at our Marathon 420. We had one of our American birds make it on the day also, congratulations to Kolvenbag & Ennis. We will be clocking again in the morning.....jim

Saturday, Sept 29th, 2007.....Good morning, the Marathon 420 birds were released at 8:00 am this morning. It was clear, no wind but some scattered ground fog. The birds clear almost immediately. The race course will be clear all the way with light variable winds. I have listed the towns the birds will be flying over and the wind at those locations at the time they are likely to be passing through. Departure Lake (no wind), Cochrane (5 km South, headwind), Matheson (4 km South, headwind), Englehart (2 km NNE, tailwind), New Liskeard (4 km North, tailwind), Temagami (2 km South, headwind), North Bay (7 km NW, tailwind), Agonquin Park (5 km WNW, side tailwind), Peterborough (8 km W, side wind), Empire Farm (Home) 9 km WSW, side headwind. My estimate is the winners will arrive 5:30 to 6:00 pm but it is a long way, BUT you know pigeon racing, sometime

they fool you and arrive early and sometime they come later. Sunset arrives around 7:00 pm. Good luck to all. If you are coming out to watch the race arrive early in case they fool us. Also if you are picking up your returned Classic birds also come early because I will be watching for the Marathon birds when the time is right. Remember bring your own chairs.....jim

Friday, Sept 28th, 2007.....last night we shipped 136 birds to the EMPIRE MARATHON 420. The complete shipping list is posted on the "RACE RESULTS" section. As we said the payout will consist of 1 prize for every 20 birds entered which gives us 7 prize positions. The payout will be as follows: 1ST.....\$5000, 2ND.....\$3000, 3RD.....\$2000, 4TH.....\$1500, 5TH.....\$1000, 6TH.....\$600, 7TH.....\$500. The total payout is \$13,600. The support for the Marathon 420 was outstanding considering the low number of birds that returned from our hard Classic 350, THANK YOU. Everyone is welcome to come out and watch the return of the birds from the Marathon, release info will be posted on this diary tomorrow morning. If you come out for the race please bring your own chairs, we will not have chairs available, we will have a portable toilet and beverages available. Please no pets, our dogs don't like 4 legged visitors of any kind. We are still receiving pool money, I will post more today on the inventory page. Remember the prize payout for the Marathon is NOT FIRST DROP, it is clocking order only. For this reason if two or more birds land together I will not be chasing them into the loft, I will sit back and let them enter as they please, thereby not giving any bird the advantage over another bird for the prize money. Good luck to all in the Marathon 420.....jim
