Pigeon Vitality as
Natural strength and performance

Pigeon Vitality grows bigger!!

Dear pigeon-friends all over the World!

Great news from Pigeon Vitality - due to growth the sales and marketing team of Pigeon Vitality has been expanded and strengthened by Martin and Christian Hansen, Denmark.

Martin and Christian are two well-known brothers from Denmark who have been active within the pigeon sport for many years - mostly as the team behind M&C Hansen (www.mchansen.net) where they have been involved with pigeon online auctions for several years.

Both brothers are top pigeon fanciers and have strong international networks, and has nutritional knowledge about pigeon feed and feed additives. They will both have the responsibility of following up our partners, resellers and customers with focus on the market

About us

Subject: Pigeons for Canada Day

Hello Steve,

Thank You very much for the telephone call on 19 May 2012 and comprehending our need for pigeons as an important part of our "100 Years of Military Communication in Hamilton" display in Gage Park, in Hamilton, over the Canada Day weekend.

I would also like to acknowledge the help and enthusiasm of John Black, Stan Burdzinski and Voyo Radoman for getting the word out and making this contact with Steve Walsh of the Racing Pigeon Association possible.

From our conversation, I understand that the Racing Pigeon Association has a special loft for promotional displays. The loft measures approximately 4 ft x 6 ft x 6 ft high..It needs to be sheltered in case of an inclement weather. The heat does not bother the pigeons. Along with the loft, you would like to display 3 associated posters depicting the history and importance of pigeons in WW1 and WWII. It requires 4 people to set up the loft. This can be done before opening on 30 June.

I also understand that your good intentions to help us and to promote the Racing Pigeon Association are dependent on volunteers to manage the loft between 10 AM - 8 PM on 30 June 2012 and 1 July 2012. Since this event is right in the middle of your busy racing season, this may present a problem.

Steve, if I missed some important point, please let me know. If there are other requirements and needs that should be considered, please let me know. If we are unable to accommodate the loft inside the "drash" tent, we will set up a secondary tent beside it.

Thank you again, and I trust that this venture will turn out beneficial to both of our organizations.

Subject: EMPIRE CLASSIC NEWS

Hi Stan, would you be kind enough to send this message out to your email friends.....Empire Classic has a new Clocking system for One Lofts with real time clocking on the internet, you can sit at your computer and watch your birds clock time and position as they are clocked. Also we have a new web site, similar to those used by most One Loft in North America, it is very user friendly and gives all kinds of great info. Empire Classic is still accepting birds until June 1st.....Thanks Stan

All Racing Pigeon Members:

I have been contacted by Mr. George Stal of the Hamilton Signals Association to help organize and promote the representation of the significance that the racing pigeon provided to the early years of communication and the wars years.

This would be a positive effort to promote the hobby of racing pigeons in Canada.

The event is scheduled for Canada Day Week End June 29 to July 01, 2012 at Gage Park in Hamilton Ontario Canada.

Possible release of pigeons may be scheduled for this event.

Any support and promotion in this event would be appreciated by the Hamilton Signals Association.

FW: Guelph auction flyer May 21, 2012

Guelph auction flyer May 21, 2012

Could you please pass this around to your vast mailing list.

Thanks

May 21, 2012 at the Electrical Workers Hall (611 Silvercreek Parkway North, Guelph) bring birds at 11. Lunch at 12 noon. Auction starts at 1

!!!SOMETHING NEW!!!

The young bird purchased at this auction with the best race record resulting in the lowest coefficient as calculated by the CRPU program will WIN THE AWARD!

The AWARD, will be 20% of the total proceed of the sale split equally between the breeder or donator of the bird, and the flyer of the bird. Example, 50 birds are donated and sold for an average of 100\$ each for a total of 5000\$. THE AWARD is 20% or 1000\$. 500\$ to the breeder or donator and 500\$ to the flyer!

The bird can be flown in any club and any combine as long as it is flown by a CU member in a CU member club (required to produce the coefficient).

As an example: A flyer from the Guelph club donates a bird that is purchased by a flier in the Oshawa club and that bird becomes the bird with the best record resulting in the lowest coefficient. The AWARD is split equally between the breeder or donator of the bird, and the flyer of the bird. OR....The breeder or donator of the bird may buy his/her bird back and win the entire AWARD!

DONATE A YOUNG BIRD FROM YOUR BEST PROVEN FAMILY!

PURCHASE THE BEST AND USE YOUR SKILLS AS A FLYER TO WIN THE AWARD!

If you cannot attend, phone bids and proxy bids are accepted

The buyer will be contacted at the end of the young bird season and reminded to submit the coefficient of the purchased bird

FREE LUNCH WILL BE PROVIDED BY THE GUELPH RACNG PIGEON CLUB

This is an excellent opportunity to acquire some great young birds and compete with other flyers outside your own combine in a FRIENDLY, FUN COMPETITION!

Please send an email if you intend to donate a bird so we can set up enough cages. weimabill@hotmail.com
